

HALLOWEEN TRAIL & TREAT MAP: GREAT KINGSHILL

There are 8 pumpkins around the village with letters carved into them. Find all 8 and rearrange the letters on them to make a spooky word.

Pumpkins will be out from Monday 26th – Saturday 31st October.

The word is:

--	--	--	--	--	--	--	--

This trail is undertaken at your own risk. Children should be supervised by an adult as our village can be dark and have uneven, or no, paths in places. **Due to COVID-19 restrictions please avoid trick or treating and ensure social distancing is maintained in line with government guidance when undertaking the trail,** we will be putting pumpkins out all through half term week (day and evening) to avoid a rush on one night. Approximate distance 4km.
