

Wilful Damage to Speed Indicators

Unfortunately, two of the speed indicators in Widmer End have been deliberately damaged to remove their batteries. The criminal damage and stolen batteries will represent a loss of some £2000 to ratepayers. To deter this criminality all the remaining batteries have been treated with Selectamark so that if they are found by the police they can be traced back to the rightful owner, Hughenden Parish Council, proving they have been stolen. If anyone notices someone interfering with a speed indicator, please notify the police on 999. If you have any information which might help to catch the criminals, please notify the police on 101.
